Oregon Construction Contractor Licensing

What Makes OUR Contractor License Training Programs So Effective?

Careermaker's Contractor Licensing Home Study Course will allow you to satisfy the Oregon Construction Contractors Board (CCB) 16-hour education requirement from your home or office. Upon completion of the study materials you will be fully prepared to pass the state license exam the first time you take it!

Self-Study Your Way!

Careermaker's self-study approach to learning accommodates the wide diversity found among our students. Individuals who are embarking on this new career path vary in age, job experience, educational background and learning ability. With these courses, students complete their studies at their own pace, and have the opportunity to tailor the program to their specific and unique learning needs.

What Is Included In the Program?

- Oregon Contractors Reference Manual
- Oregon CCB License Application & Instructions
- Interactive CD ROM with practice exams in game format, and Oregon Statutes, Building Codes, and testing information
- "Easy Find" tabs
